Given that the value of the donation in Albania was reported in only 33.8% of the instances, estimation about the total amount donated is made by extrapolation based on the known data. For more information on individual instances of giving please refer to: shqiptaretdhurojne.org.

During 2016, Catalyst Balkans tracked media reports on domestic individual, corporate and diaspora philanthropy in Albania. This Infographic provides key statistics on the findings of this research.
