  - Economically vulnerable

### Groups of Beneficiaries

#### Use of Donations

- **Healthcare**
- **Amenities and Supplies**
- **Building Homes for Individual Families**
- **Services**
- **Scholarships**
- **Capital Investments**
- **General Support**
- **Unknown**

**Graph**

- **Short Term**
- **Long Term**
- **Unknown**

**# of Instances**
Type of Donor, by # of Instances

- **Citizens (Mass Individual):** 31
- **Companies:** 16
- **Individuals:** 10
- **Mixed Donor Types:** 9
- **Association:** 9
- **Private Foundations:** 3
- **Small and Medium Enterprises:** 1
- **Unknown:** 2

Value of Donations, by Donor Type (%)

- **Citizens (Mass Individual):** 66.1%
- **Associations:** 25.9%
- **Mixed Donor Types:** 3.7%
- **Individuals:** 2.2%
- **Companies:** 2.0%
- **Private Foundations:** 0.1%

Given that the value of the donation was reported in only 33.3% of the instances, estimation about the total amount donated is made by extrapolation based on the known data. For more information, please find the full report at www.catalystbalkans.org
