The 2015 Annual Report on the State of Philanthropy in Albania – Quick facts is part of a broader initiative to promote and stimulate philanthropy in the region carried out by the Catalyst Foundation. The underlying research and this publication were created by Catalyst Foundation (Catalyst Balkans) and with the generous support of the C. S. Mott Foundation and Balkan Trust for Democracy (BTD).

Opinions expressed in this publication do not necessarily those of the Balkan Trust for Democracy, the German Marshall Fund of the United States, or its partners.

Given that the value of the donation in Albania was reported in only 4.7% of the instances, estimation about the total amount donated is made by extrapolation based on the known data. For more information, please find the full report at:
